**GARRY**  
— EXIM —

A hand is shown typing on a keyboard. The keys for the word 'MISSION' are highlighted in a light blue color. The background is a blurred image of a hand typing on a keyboard.

## ▶ Our Vision

To continuously raise the bar of excellence by providing high quality sugar and value added products on a global scale.

## ▶ Our Mission

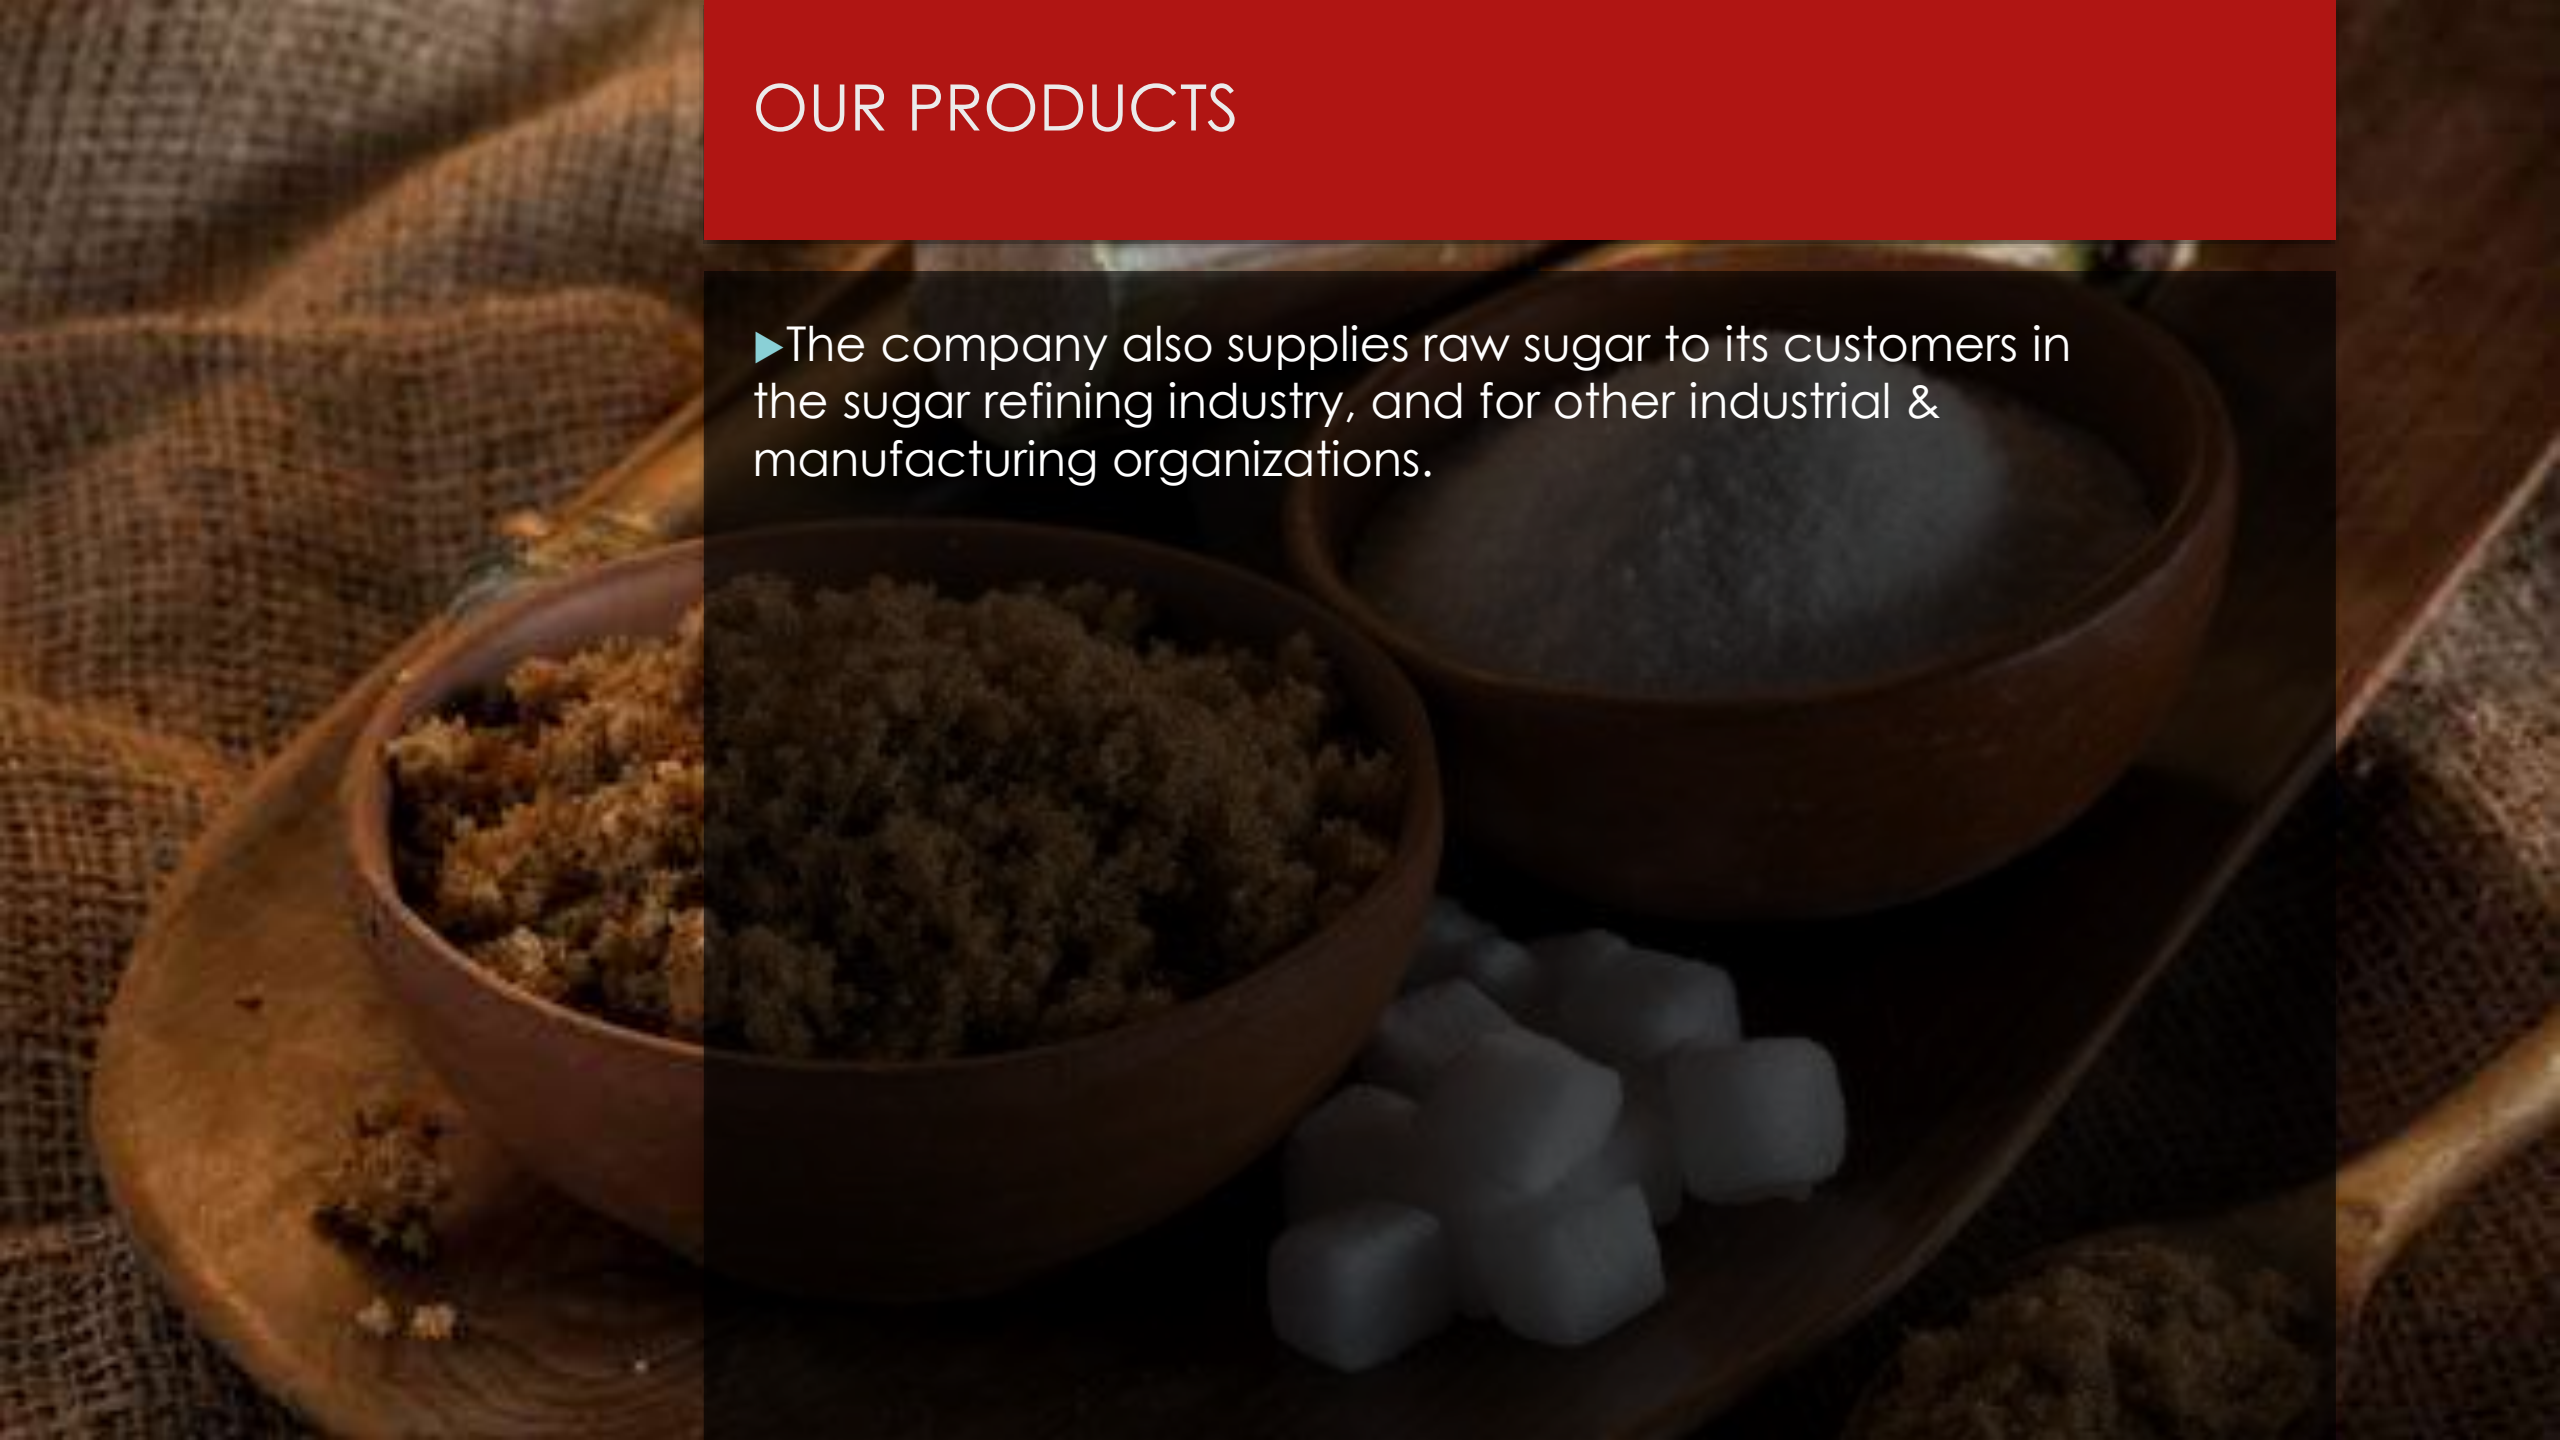

We exceed our customers' expectations in terms of quality, delivery, and cost through continuous improvement and customer interaction. We also aim to be explorers in the field of sugar exports, by being committed to innovative new ways of doing day-to-day activities, in order to improve the growth and profitability of the company and ensure a safe, harmonious and challenging working environment for our employees.

## OUR PRODUCTS

▶The company also supplies raw sugar to its customers in the sugar refining industry, and for other industrial & manufacturing organizations.

- White Sugar:

- ▶ • White Sugar:

- ▶ Indian White Sugar is used as well in a variety of food industries for direct processing.

- ▶ The White Fine Sugar has high demands in specialty products like powdered drinks, and is in-demand product for confectionaries, bakeries and patisseries & others.

- ▶ ICUMSA Of Indian White Sugar above 50 available for Export from India.

A close-up photograph of a wooden spoon filled with raw sugar granules. The granules are light brown and have a crystalline, irregular shape. The spoon is resting on a dark surface, and some granules have spilled out around it. In the background, another spoon is partially visible, also containing sugar. A solid red vertical bar is located in the top right corner of the image.

# • Raw Sugar:

## ▶• Raw Sugar:

▶We procure various grades of raw sugar for captive refining. We re-export as well raw sugar from time to time to meet the buyers' requirements in the sugar refining industry and other industrial sector. The raw sugar packages are available in 50 Kg and Jumbo Bags upon request.

▶ICUMSA of the RAW Sugar will be between 600 – 1200.
